

Supplemental Preliminary Amendment
Application No.: 10/567,241
January 4, 2007

REMARKS

By this amendment, claims 1-2, 4, 16 and 22 have been amended in the same manner as the Amendment under Article 34 of the International Application for this application. This Amendment under Article 34 was previously submitted but page 13 (including claims 26 and 27) of the English translation of the Amendment under Article 34 was inadvertently missing from the previous submission. Therefore, applicants have resubmitted all of the same claim amendments as made in the Article 34 claim changes. Currently, claims 1-27 are pending in the application.

If there are any questions or concerns regarding this amendment or the remarks, the Examiner is requested to telephone the undersigned at the telephone number listed below.

Respectfully submitted,

Randolph A. Smith
